AUTHORIZING THE COMMITTEE ON EXPENDITURES IN THE EXECUTIVE DEPARTMENTS TO EMPLOY TEMPORARY ADDI- TIONAL PERSONNEL AND INCREASING THE LIMIT OF EXPEND- ITURES

JANUARY 25 (legislative day, JANUARY 8), 1951.—Ordered to be printed

Mr. HAYDEN, from the Committee on Rules and Administration,
submitted the following

R E P O R T

[To accompany S. Res. 51]

The Committee on Rules and Administration, to whom was referred the resolution (S. Res. 51) authorizing the Committee on Expenditures in the Executive Departments to employ temporary additional personnel and increasing the limit of expenditures, having considered the same, report favorably thereon with an amendment and recommend that the resolution, as amended, be agreed to.

This resolution (S. Res. 51) authorizes the Committee on Expenditures in the Executive Departments to make expenditures not exceeding \$100,000, in addition to any unexpended balance under Senate Resolution 206, Eighty-first Congress, agreed to February 1, 1950, for the purpose of holding hearings, reporting such hearings, and making investigations as authorized by subsection (g) (2) (B) of rule XXV of the Standing Rules of the Senate.

The unexpended balance under Senate Resolution 206, Eighty-first Congress, is \$16,000. Your committee has amended this resolution so that the unexpended balance will be included in the \$100,000 authorized by Senate Resolution 51.

A letter from the chairman of the Committee on Expenditures in the Executive Departments containing a budget of the proposed expenditures under this resolution and a financial report of the

expenditures made from February 1, 1950, to January 31, 1951, is as follows:

JANUARY 23, 1951.

HON. CARL HAYDEN,

*Chairman, Committee on Rules and Administration,
United States Senate, Washington 25, D. C.*

DEAR SENATOR HAYDEN: The following data are submitted for your information in considering my resolution requesting funds for next year's operation of the Senate Investigations Subcommittee. The following is a statement of the positions on the staff of the subcommittee as of this date, together with the salaries paid the employees filling these respective positions:

Chief counsel.....	\$10,846.00
Chief assistant counsel.....	10,844.54
Assistant counsel.....	7,941.22
Investigator.....	6,326.94
Investigator.....	6,326.94
Assistant counsel.....	5,718.63
Investigator.....	4,762.70
Chief clerk.....	4,588.89
Record clerk.....	5,631.72
Assistant clerk.....	4,588.89
Assistant clerk.....	4,067.49
Assistant clerk.....	3,574.04
Accounting consultant (per diem).....	30.12

In the interest of economy this subcommittee, during the past year, has attempted to keep its expenses to a reasonable minimum. At the end of this month the subcommittee will have an unexpended balance of approximately \$16,000 remaining from the \$101,354.71, which it was authorized to expend during the past year. In addition, the subcommittee, upon completion of its investigation of homosexuals and other sex perverts in Government, returned to the contingent fund of the Senate \$3,118.54 of the \$10,000 which it was authorized to expend under Senate Resolution 280 (81st Cong., 2d sess.). Attached hereto is an estimated subcommittee budget for the next year, together with a financial report of the expenditures made by the subcommittee from February 1, 1950, to January 31, 1951. It will be noted that this new budget provides for an additional assistant counsel to fill a vacancy which has existed on the staff for a considerable period of time.

Under the new resolution, authority is requested to expend not more than \$100,000 for a 1-year period beginning February 1, 1951. This new resolution contemplates that the \$16,000 unexpended funds from the past year's operation will be included in the \$100,000 now being requested. It is pointed out that the present resolution, Senate Resolution 206 (81st Cong., 2d sess.) will be in force through January 31, 1951, and for that reason the subcommittee is desirous of obtaining new authority to make expenditures beginning February 1, 1951, in order to meet salaries and other current obligations.

If there is anything further you desire concerning the proposed operations of this subcommittee during the coming year, Senator Hoey, who is the chairman of the subcommittee, or I will be more than pleased to confer with you or members of your committee.

Respectfully submitted.

JOHN McCLELLAN,

Chairman, Committee on Expenditures in the Executive Departments.
